- **Tips and Toolkits**

The Autism Society of Los Angeles would like to extend a special invitation to you as a sponsor to become an integral part of this conference. Your organization will have an excellent opportunity to be seen as a leader in our community. As a sponsor you will have access to hundreds of attendees who may need your services, now or in the future.

Our sponsors will be welcomed into our Networking Expo, an important opportunity for consumers and families to meet prospective providers, both traditional and nontraditional, to discuss unique services and supports. We want our sponsors to be integrated participants in the conference, both in connecting with consumers and as conference attendees. Attending the conference will give you a better understanding of the issues and concerns of the population you serve, while creating personal connections with people who want to know about your organization and services.

We hope that you will find a level of sponsorship that suits your needs and helps ensure the success of the, **“Purpose and Passion: Journey to Adulthood”** Conference. This partnership will help us accomplish our shared goals of:

- empowering parents, self-advocates and professionals with the information and resources they need to navigate transitioning to adulthood.
- making a real difference in the lives of individuals with developmental disabilities, now and in the future

We hope you agree that being a sponsor of the **“Purpose and Passion: Journey to Adulthood”** Conference is an excellent opportunity for your organization. Please act quickly; space is limited and **the deadline for sponsor commitments is March 30th, 2018 – earlier registration means more exposure for your agency in marketing materials etc**.
